

DEPARTMENT OF CHEMISTRY  
NATIONAL INSTITUTE OF TECHNOLOGY CALICUT

Ref. No. NITC/DEAN(R&C)/SERB/JB/CHY/2020

Date: 30/03/2021

Submitted (Dean R&C)

**Title of the project** : Human Toll-Like Receptor 2-Selective Agonists: Design, Synthesis and Structure-Activity Relationship in Diverse Heterocyclic Scaffolds

**Account Number** : 39975740517 (SBI Branch, NIT Calicut)

**Funding Agency** : Science and Engineering Research Board (SERB), Govt. of India

**Position and Number** : Student Internship, 1

**Sub.:** Engaging Student Internship for above said project – Regd.

Administrative and financial sanction was granted for utilizing a student internship under Scientific Social Responsibility (SSR) Policy for the above said SERB sponsored project. The project monitoring committee also has recommended to recruit a Student Internship for this project.

The Eligibility required for Student Internship is as follows,

**Eligibility Criteria** : M.Sc Organic/General Chemistry (first year or second year) with minimum 7.0 CGPA (70%).

**Duration of the Internship** : Two months (June-July 2021) tentatively.

**Monthly Assistant ship** : Rs. 5,000/- per month (Rupees Five thousand only)

**Last date for receiving online application:** 14.04.2021

**Date of online Interview** : 23.04.2021 (Tentative)

Accordingly, engaging student internship for above said project may kindly be permitted as per the institute norms.
